HOW DID YOU HEAR ABOUT BUNDLE OF HOPE MINISTRIES?	
--	--

We certify that all information given in this statement is true and correct and that any misstatement of fact may be grounds for disqualification for adoption. Bundle of Hope is a non-profit adoption agency. We also acknowledge that there is a possibility that some conditions could develop that are beyond Bundle of Hope Ministries control, i.e. *Internationally*; the sudden change of adoption policies by foreign governments in the country we have chosen for adoption, changes in international relations between the foreign country and the United States, or a change in the physical condition of an assigned child and cost variance orphanage to orphanage. We further understand that an adopted child could arrive with medical problems, minor or major, that have been partially diagnosed or totally undiagnosed. *Domestically*; a birthmother may decide to parent the child, the birthfather may decide to parent the child, there may be medical problems that went undiagnosed and the attorneys and birthparents have the right to deny an application. We have made an honest assessment of our strengths and weaknesses in parenting. We are willing to accept all the responsibilities and risks associated with foreign and/or domestic adoptions and the raising of an adopted child.
